Fast Track
 Standard Track

Yes No

If Yes, please explain how urgent it is and why:

Note

The Tribunal will normally deal with a case in one of three ways: on paper (see section 10 above) or 'fast track' or 'standard track'. The fast track is designed for cases that need a hearing but are very simple and will not generate a great deal of paperwork or argument. A fast track case will usually be heard within 10 weeks of your application. You should indicate here if you think your case is very simple and can be easily dealt with. The standard track is designed for more complicated cases where there may be numerous issues to be decided or where for example, a lot of documentation is involved. A standard track case may involve the parties being invited to a Case Management Conference which is a meeting at which the steps that need to be taken to bring the case to a final hearing can be discussed.

GROUNDS FOR SEEKING DISPENSATION

Please use the space below to provide information mentioned in section 7 of this form.

You will be given an opportunity later to give further details of your case and to supply the Tribunal with any documents that support it. At this stage you should give a clear outline of your case so that the Tribunal understands what your application is about. Please continue on a separate sheet if necessary.

1. Describe the qualifying works or qualifying long-term agreement concerned, stating when the works were carried out or planned to be carried out or in the case of a long-term agreement, the date that agreement was entered into or the proposed date it is to be entered into.

The applicant is seeking dispensation from the consultation requirements of s.20 of the Landlord and Tenant Act 1985 (as amended) which apply to qualifying long-term agreements.

On 1st July 2024 Longhurst Group procured and entered into a long term agreement for the gas servicing contract as required in accordance with the lease.

2. Describe the consultation that has been carried out or is proposed to be carried out.

Full Section 20 consultation has been carried out.

Notice of Intention was issued on 19th January 2023 . End of consultation was 27th February 2023.

Notice of Estimates was issued on 26th April 2024. End of consultation was 31st May 2024.

Notice of award was issued on 10th June 2024.

Contract was entered into on 1st July 2024.

3. Explain why you seek dispensation of all or any of the consultation requirements.

The applicant seeks total dispensation of the consultation requirements imposed by S.20 of the Landlord and Tenant Act 1985 (as amended) in regards to the long-term agreement entered to provide a Gas Services Contract.

The Gas Services Contract consists of a two tier service including gas safety check and gas repairs. The level of service provided is delivered in accordance with the lease.

Longhurst Group sought to obtain at least two quotes and through a framework approached 7 contractors providing tender opportunities. Additionally Longhurst Group sought to obtain a tender from a nominated contractor. Despite efforts to obtain more than one quote, out of the 8 contractors approached only one contractor provided a tender and estimate for the contract.

Given the challenging market and our large operational geographical area the awarded contractor was the only contractor who provided a bid and estimate for the tender. The awarded contractor already holds contracts within the area in which we operate.

The existing contract came with our previous contractor came to an end 22 September 2022. We entered into an emergency contract on 23rd September 2023 to allow sufficient time for section 20 to be undertaken to procure for a long term agreement.

Longhurst Group considered the impact of postponing the contract award further which would have meant the gas services contract would be awarded during the winter months when it is expected to receive an increase in heating repairs. Procuring such contract during the winter months could have an impact on leaseholders as it is expected to experience issues during mobilising and the impact is less with mobilising such contract during the summer months.
